

Friends of Pumpkinfest,

Planning is underway for the 2022 Anamosa Pumpkinfest and Ryan Norlin GIANT Pumpkin Weigh-Off!

The Weigh-Off began in 1989 and since then Pumpkinfest has been a staple amongst the community, drawing in thousands of visitors to town each year. In 1993, Anamosa was even officially designated the Pumpkin Capital of Iowa! Anamosa had a record setting year in 2020 with a new state record squash at 1,326.5 lbs. and a new site record pumpkin at 2,114 lbs. In 2021, we kept the records rolling with Rusty Caspers setting the new state long gourd record at 131”.

This year, Pumpkinfest is back, along with many of your favorites: Craft and Food Vendors, 5K Run/Walk, Big Wheel Races, Kids’ Games, our HUGE Parade, Car Show and many more. We are looking to add a Petting Zoo and excited to announce the addition of a BBQ Contest!

With your support, we can build on tradition and Pumpkinfest will continue to be a true Main Street Festival. Donations may be made to **Anamosa Festivals**, a 501(C)(3).
